TO WHOM IT MAY CONCERN:

Dance Academy Season School took place in Sotogrande, Spain from 25th July - 9th August 2010. More than thirty students and teachers from Dance Academy Russia, St. Petersburg, came to Spain to train for two weeks at DanceWorks Studios in Sotogrande. That was an exciting and unique opportunity to work with new teachers, and experience alternative methods, techniques and styles.

The classes on the schedule included: Jazz-Funk, Contemporary, Ballet, Modern, Jazz, Pilates. All classes had Advanced and Beginners groups.

It was a real pleasure to meet and work with the students of Dance Academy. The enthusiasm and passion of the directors of Dance Academy, in their pursuit of International cooperation and exchange experiences for their students is inspired, and we at DanceWorks were greatly privileged to be chosen as their first exchange venue, it was a wonderful experience. We hope to work together again in the future, and wish them every success with the on-going development of the Academy.

Sincerely,
