

TO WHOM IT MAY CONCERN:

Dance Academy Season School took place in Cagliari, Italy from 20th July - 3th August 2011.

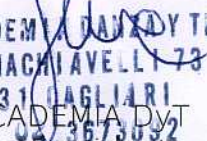

More than fifty students and teachers from Russia, Italy, Lithuania and Estonia took part in the project.

The classes on the schedule included: Jazz-Funk, Hip Hop Choreography, Contemporary, Modern, Tango. All classes had Advanced and Beginners groups.

We had a great time together with an International Exchange Dance program in Cagliari. We recommend this school because of the great professional experiences of the staff. Amazing!

Sincerely,

Cagliari 04/10/2012
